

Spey Hackle

Blue Eared Pheasant Feathers - The best substitute for the traditional Heron feather. Available in natural or dyed colors in medium or large size. Great for Atlantic Salmon and Steelhead patterns. Natural: **(Med) \$9.95 (Large) \$11.95** . **Dyed:** Black, Hot Orange, Green, King Fisher Blue, Purple, Yellow and Hot Pink: **(Med) \$10.95 (Large) \$12.95**

Rhea Feathers: Perfect for spey flies, Shrimp patterns and also very popular for the new "Intruder" style of steelhead flies. Rhea feathers are long plumes, about 12-13" in length, with barbules about five inches long. Available in these colors: White, Hot Orange, Red, Hot Pink. Two feathers per package, average length is 12-13". **\$8.95** One feather per package: **\$5.95**
Colors: Yellow, Green

Spey Schlappen: Close to the spey cock hackle used on Spey flies originally. Available in the following colors: Orange, Yellow, Blue Eared Pheasant, Claret, Highlander Green, Royal Blue, Fuschia, Red, Purple, Burnt Orange, Bronze/Black, and Natural Bronze. Approximately 25 feathers per package. **\$4.95 per pkg.**

White Cock Pheasant Skins Dyed: **White Cock Pheasant Skins Dyed:** These full skins have all the spey hackles a tier can need. Black, Hot Pink, Fuschia, Heron Gray, Purple: **\$39.95** each.

Other Select Materials
